

KINGSBURY COURT SURGERY **NEWSLETTER**

CHILDHOOD IMMUNISATIONS

MP Alex Mayer visited Kingsbury Court Surgery to meet the team helping improve childhood vaccination rates and protect the town's youngest residents.

Vaccination uptake among under-5s at the Church Street surgery has risen from 79% to 88% in just one year. Trident Primary Care Network (PCN), which includes Kingsbury Court Surgery, Kirby Road Surgery and Eastgate Surgery, now delivers around 138 childhood vaccinations each month, including protection against meningitis B, chickenpox, measles, mumps and rubella, as well as other routine childhood immunisations.

Alex Mayer MP said: "Vaccinations are safe and save lives. The return of diseases like measles means more children are ending up in hospital, but this is entirely preventable."

Protect your child with routine vaccinations. Immunisations are safe, effective and provide the best defence against serious diseases. Side effects are usually mild and temporary, while staying up to date with vaccinations also helps protect babies, older people and those with weakened immune systems. Keeping to the recommended schedule helps keep your family and community safe.

PATIENT PARTICIPATION GROUP

*HAVE
YOUR
Say*

What is PG?

A Patient Group (PG) is made up of patients and practice staff who work together to improve services and the patient experience.

Members meet regularly to discuss ideas, share feedback and help ensure the views of the wider community are heard, especially those who may face barriers to accessing healthcare.

By joining the Kingsbury Court Patient Group, you'll have the opportunity to represent patients, share your ideas and help strengthen the partnership between the practice and the people it serves.

All patients aged 16 and over who are registered with Kingsbury Court Surgery are welcome to join our Patient Group. We want members from all backgrounds, ages and communities to help ensure every patient voice is heard. The group meets every three months (four times a year) on weekday evenings at 6:30pm at Eastgate Surgery, with free parking available at Priory Gardens car park.

Interested in joining? Simply fill out the Patient Group registration form on our website and help shape the future of your local practice.

Appointments

We provide a variety of appointment with GP's as well as other clinicians throughout the week, Monday through Saturday

All consultations are by an appointment system. Appointments can be organised by Telephone or Online via SystemConnect – (no login details required) - Scan the QR Code to book your appointment.
